# Questions:

*If you weren't involved in Relocation what would you be doing?*

*Was relocation your first career choice?*

How have the changes in International and Immigration regulations affected your organization?

Is there anything you wish your company or the industry would do or create to help you address these issues?

How/Is Mobility and Diversity & Inclusion aligned  
within your organization?

Regarding your relocation policies:

How often do you or should you review your policies & have you reviewed them recently?

Are you seeing an increase in lump sum payments, custom or cafeteria style packages?
