

2021 SRRC Scholarship Video Guidelines

Thank you for participating in our 2021 SRRC Scholarship – and **CONGRATULATIONS** on your award!

Your award was based upon your scholastic achievement, your extracurricular efforts, and – importantly - the story of your life to this point. With over 125 active SRRC members in our organization, representing companies associated with various aspects of relocation and based in locations across the Southeastern U.S., our members are always eager to learn more about our scholarship award winners, and to hear their stories. We have found that allowing our scholarship winners to record a video of their own, in any style you choose, is an ideal means of sharing your story and your message with our membership.

Below please find some general guidelines for the creation of your video. These are listed in no order – just be yourself, feel free to be creative if you like, include family in the video if you like, and have fun!

- Please keep the length of your video to no more than 5 minutes.
- Share a little about yourself, your background, your family.
- Please tell us your story.
- What was your experience like moving to Florida, including the best and the most challenging experiences you encountered?
- What did you learn that you could share with others who may be faced with relocation?
- **Who** played the most significant role in helping you through your journey, and why?
- Please share about your favorite interests/extracurricular activities.
- What college(s) are you considering attending?
- What are your plans for the future?

* * * Please EMAIL us your video, to admin@srrconline.com and copy Roger Sorhagen rsorhagen@siracusamoving.com. We need to have the video emailed to us **by Tuesday, March 12th**.

Thank you!
